

## Looking for a Church? We're Your Church Home In Newbury Park and Thousand Oaks

We're a contemporary Seventh-day Adventist church serving the Southern California Conejo Valley communities of Newbury Park, Thousand Oaks, Westlake Village, Moorpark, and Simi Valley. We're passionate about our love for Jesus. This is reflected in the passionate worship we share and the individual seeking for God in our private lives.

Worship services are Saturdays at 11:30 am with Pastor Simon Liversidge. We meet for community Bible study (our Sabbath School) at 10:30 AM, when we have programs for all ages - from toddlers to adult.

All ages worship together at The Place, in a contemporary and casual atmosphere. At the same time, we've created safe, fun, and Biblical environments for your kids. Come visit our Sabbath School rooms, see our great materials, and meet our dedicated volunteers that work with our children. There is also a "Family Room" available to families with toddlers and nursing mothers. Stay with your children and enjoy the service in a semi-private area.

At The Place, we welcome people from all walks of life and all backgrounds, regardless of where they are on their spiritual journey. If you are seeking to know Jesus for the first time or have been walking with him for a long time already, we invite you to make The Place your home and join us on that journey.

## Adam Appel Memorial Fund

Dear Friends,

As many of you know, James, Sarah and their family have suffered the tragic loss of their son, grandson and brother, Adam. He passed away from complications of malaria on New Year's Eve. Adam was only six months old. We at The Place feel a particularly deep loss, as baby Adam was dedicated to Jesus in our church last summer.

In celebration of his precious life, [we are raising money in his name](#) . With the money we raise, we plan to contribute to the building of the new hospital in Mondou.

James and Sarah have loved ones and supporters around the world and we would like to give everyone a chance to be part of this project. Please help us reach our goal and remember this child of Jesus in a way that will help others know Him and become healthy.

Donations will be tax deductible and receipts will be available upon request for donations greater than \$100. If you are unable to give, please bless the Appel family with your continued prayers for comfort and strength.

God bless and may we all meet in heaven when Jesus returns Adam to his parents forever.

"And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away."

Rev 21:4 (KJV)

## 2012 - The Year of the Family

During 2012, we are committed to learning to live with God as a loved child of the King.

This commitment takes several forms. First, as a church, we are focusing on getting to know God in a deeper way. We are exploring what it means to live as a child of the King and to hear God's voice. And, we are inviting each family or individual at The Place to participate in our worship service in 2012 and to share how God is working in their lives.

We continue our sermon series on the Book of Luke by exploring these twin themes of living as a child of God and hearing the voice of God and understanding how God continually speaks to us. Our discipleship and Sabbath School classes are also focused on meeting God and understanding how much God loves us...and how we can respond in worship and in living a life with God. We are also beginning several new ways of building our church families by focusing on parenting and marriage enrichment.
